THIEVES STEAL BOTTLED DRINKS.

Monday night thieves broke off the door to a small ware house alongside of the R. R. track in West Elba and took about 5 cases of bottled cold drinks.

This is the third time this ware house which is used as a storage room by the local bottling works has been broken into.

The proprietor of the works say they have strong clues as to who is doing the thievery and it is believed that police will soon catch the plifers.

Hudson Coach and Chevrolet Heads The Clipper's \$3,000.00 List of Prizes

Opening Gun Fired in Great "Salesmanship Club," Lasting Only Five and One-Half Weeks. Besides 7 Big Awards a 20 Per Cent Commission Is Guaranteed

CAMPAIGN OPEN TO EVERYONE; NOMINATE YOUR CHOICE NOW

If You Are a Live Wire Get In and Win. Costs Nothing to Win, and You Positively Cannot Lose. Campaign Opens Soon and TODAY is Best Time to Start

The Elba Clipper wants to increase its circulation in Elba and Coffee County, as well as surrounding counties. We want 3,000 new subscribers, and we want them during the next few weeks.

To accomplish this end in a short period of time we have inaugurated and announced in this issue our great "Salesmanship Club" Campaign—the biggest undertaking of its kind ever launched by a weekly paper in the State of Alabama.

The "Salesmanship Club" is just what its name implies. Potentially we are all salesmen, lacking only the big opportunity to turn this natural gift into profit.

Without investing one cent, either now or later, The Clipper offers to energetic men and women, married or single, of this section, the opportunity to test their ability in salesmanship. Experience is not necessary. All that is required is to utilize your spare time and energy.

One saleslady or salesman will be paid better than \$25 a week for his or her time; another \$16 a week, still another \$7.50 a week, and the rest will be paid sums ranging from \$15 a week on up, depending upon the amount of spare time and effort expended.

The easiest thing to sell today in Coffee County is The Elba Clipper, which is only \$1 for a year. It has been published here continuously for over 28 years, being the oldest newspaper in this county. People in every position, in all occupations, are just waiting for someone to call on them and ask them to subscribe for it, so whatever selling ability you may have can be tested now, with absolutely nothing to lose, but tremendous profits to be gained.

An Unusual Campaign. This will not be a "popularity" or "beauty" contest. It is a test of sales ability; everyone joining the club, and who remains active throughout the campaign (just five and one-half weeks) will be regularly paid for effort put forth. Everyone wins either an award or a cash premium, the commission being 20 per cent of all money collected.

Prize List a Big One. The list of prizes is exceedingly attractive. The Grand Capital Prize is a brand new 5-passenger Hudson Super-Six Coupe, equipped with 31.5x16 tires. This is a magnificently built car, which was purchased by Blair & Mairer Motor Co. of Elba, authorized Hudson- Essex dealers and as soon as it can be shipped from Montgomery, will be on display at Blair & Miller's establishment. The Hudson, as a leader of fine motor cars in motordom today, needs no introduction. It goes to the Candidate in first place

at the close of the campaign on March 12th.

SECOND GRAND PRIZE. The second Grand Prize is a Hudson Super-Six Coupe, Touring car, which is proving so popular in Southern Alabama, will be given candidate in second place at the close of the campaign. This car is worth \$631.87, has balloon tires, the Dues finish, etc., and was purchased from the Rainer Motor Co. Inc. of Elba, and as soon as shipment can be made it will be on display at their showroom.

THIRD PRIZE. A very beautiful Diamond Ring, 18-kat. white gold mounting, with two small and one large perfect diamonds. A ring certainly worth winning. Purchased and on display at the Whitman Drug Co., of Elba.

FOURTH PRIZE. A \$110.00 Freed-Eisemann 6-tube Neutrodyne Radio set. The very best in high grade set. Ask anybody. Purchased and on display at Rainer Motor Co.

IMPORTANT
TO READERS OF THE CLIPPER

In the big double-page ad in this week's issue of The Clipper appears a "FREE VOTE COUPON" in connection with our campaign. If you do not intend entering the campaign yourself be sure to save this coupon this, and the one every week during the campaign for your favorite candidate, as every one is worth 200 Credits toward winning one of the big automobiles, and there is no obligations or restrictions to voting them. They are free and help some Candidate just that much toward winning.

Use them yourself, or save and give to your choice for winner of the Grand Prize, the Hudson Coach.

Campaign Short and Snappy. This Campaign is a long drawn out affair extending over several months, and is of only five and one-half weeks' duration, officially opening on next Thursday and closing on Friday evening, March 12.

This club and the work conducted with it will be more interesting and more exciting than anything ever before undertaken in Coffee County. It will develop in many salesmanship ability that was never before known. It will start for some of the workers in the field of salesmanship, that have been fully developed, will open to them some of the most important and best paying business propositions in the country.

SEVENTH PRIZE. \$20 Gold Piece.

Besides the fine list of awards mentioned above, we have set aside \$500, which will be used to pay cash commissions to all active non-prize winners. You just can't lose in this campaign, as the commissions will be 20 per cent of the money you turn in, provided you do not win one of the regular prizes.

Open to All. This Salesmanship Club is open to all ambitious men and women, young or old and married or single.

It is not necessary to even be a subscriber to the Clipper to be a candidate for one of the ones now on sale. Costs nothing to join. The Clipper offers to energetic men and women, married or single, the opportunity to test their ability in salesmanship. Experience is not necessary. All that is required is to utilize your spare time and energy.

EDITORIAL

THE WHY OF OUR CAMPAIGN

In announcing our bigger and better campaign this week The Clipper has taken a bold step forward, but after repeated requests from the friends and readers of the paper to launch a campaign which would be above the average we feel confident that our friends will rally round and help put our campaign over the top in grand style.

It is our aim and desire to conduct this campaign in a manner which will please the good people of Coffee County, and for that reason we have taken considerable time and trouble to secure a reputable organization to do the detail work, and use a system that will be fair to all.

We trust that those will be the pleasantness to mar the good feeling that we wish to prevail to the close of the campaign.

In conclusion we will assert that we are planning to give the people a better paper in the near future than they have been accustomed to before, and this big campaign is put the first step toward the goal.

Your co-operation will be appreciated.

RESOLUTIONS ON THE DEATH OF HENRY LAW.

Whereas an All-Wise Providence has removed from among us our Friend and brother, Henry Law, and whereas, he has been a live and energetic member of New Brockton, Lodge No. 283, K. of P. for some years past, and whereas, plifying by word and deed the true friendship and loyalty of Damon and Pythias, and whereas, our fraternity has received much benefit and blessing from his life and example, and whereas, as we feel keenly the loss of this esteemed member and brother, therefore be it resolved,

First, that we bow in humble submission to God's Providence in taking from us this brother that he knoweth and doeth all things well.

Second, that we cherish his memory and strive to emulate his good and qualities of character.

Third, that we extend our sympathy to the bereaved family in this hour of their deep sadness.

Fourth, that a copy of these resolutions be sent the County newspapers, a copy sent the reared family, and a copy on the minutes.

Arch McKinnon,
W. H. Ward,
W. A. Eldon,
Committee.

The W. H. Y. is greatly sorrowed by the loss of one of its most beloved members, Miss Christine Tucker. The Club feels that this is a loss from which it can never entirely recover. Not only was Miss Tucker one of the most beloved, but also one of the most active members of the Club. Her presence will be greatly missed.

METHODIST CHURCH.

The pastor is taking a club for the Alabama Advocate. On general principles every Methodist ought to take his church paper. The pastor will feel a call to do anything for his church till he knows something about it; and it is a certain fact that he will know nothing about it till he reads its messages that come only through its mouth-piece, its paper.

We have not only a paper in name but one in fact. It has a program for the coming year that is second to no conference

organ in the whole connection. Recognized writers are making rare contributions to it; the best preachers of the state are publishing the cream of their life work in eloquent sermons and besides the gifted, untiring efforts of the editors we have specialists in the Sunday School and the Lipworth League making weekly contributions.

Hand the pastor a dollar at once so you will get in this club. F. M. Lowrey, Pastor.

January 25, 1926. Monroe Bell.

The annual purchases of commercial fertilizers in Alabama have increased from 146,913 to 579,662 tons in 1925.

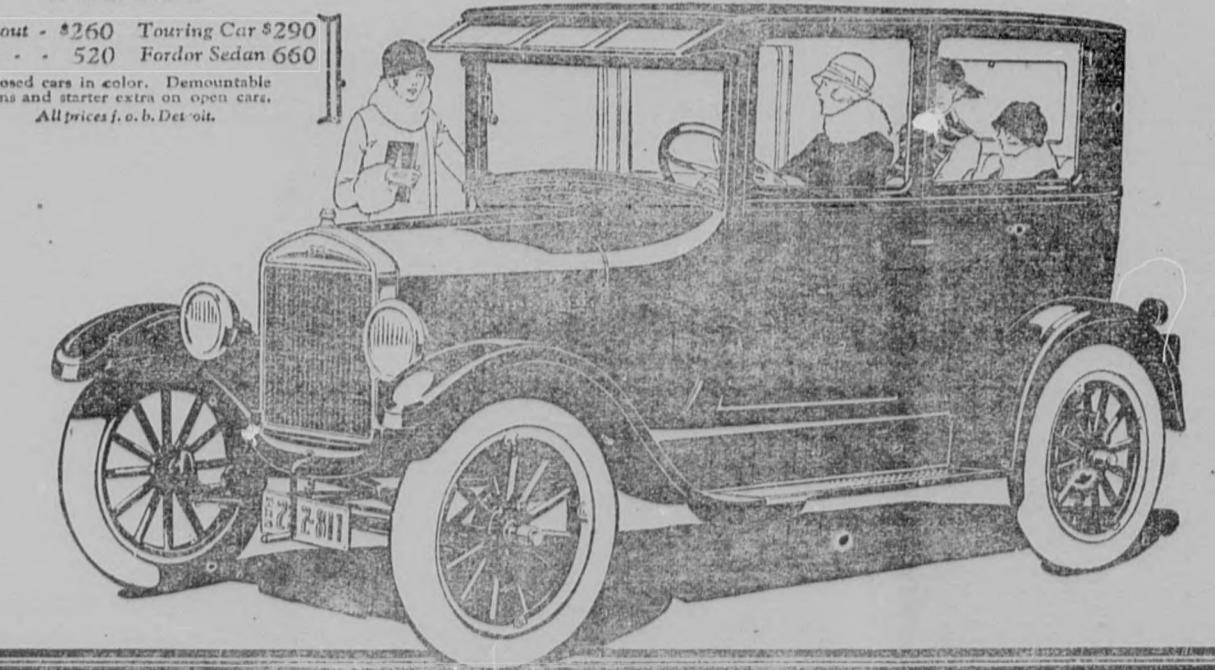

NOTICE.

Notice is given that at next meeting State Board of Pardons application will be made for pardon and restoration of citizenship of Monroe Bell, convicted Spring Term, 1922, Circuit Court of Coffee County at Elba, Alabama, of manslaughter and sentenced to five year term in penitentiary.

FARMERS TO HAVE STATE-WIDE MEETING IN MONTGOMERY.

On February 16 there will be a statewide meeting of farmers in Montgomery for the purpose of forming further plans for co-operative marketing of farm products.

This subject now has the special attention of Congress and our president and constitutes one of the big questions of the day as to just what part the Federal government should take in setting up co-operative marketing among the farmers of the nation.

There are two schools of thought on this subject: One group of western farmers think the government should absolutely manage and control these co-operative marketing organizations and thereby guarantee the farmer certain prices for his produce—the other school of thought is that the government, to which farmers of the south subscribe, opposes federal control and management and simply asks of their government a friendly hand in assisting the farmers to promote and manage their own business.

At Montgomery February 16, we expect Coffee County represented by 100 good co-operative farmers at the biggest farmers' convention ever held in Alabama. Everybody carry a car load.

DR. AND MRS. HAYES ENTERTAINERS.

One of the most beautiful social affairs of re-cent date was a six o'clock dinner given by Dr. and Mrs. C. P. Hayes Monday evening when their guests were the pastor and deacons of the Baptist Church. The living room and dining room were decorated with pink carnations arranged in cut glass vases.

When the dinner hour arrived the guests were invited into the dining room where they were then placed by dainty hand painted place cards. Mrs. Hayes assisted by Mrs. Fannie Cunningham and Mrs. C. E. Dorsay served a bountiful turkey dinner. Miss Annie Bullard played a number of selections on the piano during the dinner hour. "Joke Cracking" was a prominent feature of the evening's pleasure.

A brief business meeting was held for the purpose of electing a chairman and secretary. Mr. Y. W. Rainer was elected chairman and Supt. J. E. Hudson, Secy. The guests were Rev. T. J. Mahan, Dr. Present, J. E. Hudson, W. A. Carson, Judge J. A. Carney, Messrs. J. W. Kendrick, W. A. Present, S. H. Brock and D. J. Brooks, Messrs. W. D. Pierson and W. T. Whitman other members of the board were unavoidably absent.

2—The winners of the prizes will be decided by their credits, said credits being represented by ballots issued on subscriptions, for ad cards and coupons clipped from the Elba Clipper.

3—Cash must accompany all orders where credits are desired. There will be no exceptions to this rule. Club members will be allowed to collect renewals as well as entirely new subscriptions, and credits will be issued on such alike.

4—Credit is free. Ask for them when paying your subscription. Otherwise you waive the privilege. Credits will not be issued on receipts containing payment made prior to the beginning of this campaign.

5—Credits are to be purchased. Every cent accepted through the Campaign department must represent a subscription to the Clipper. No subscription will be accepted for less than one year, nor for more than ten years in advance from any one member.

6—Credits are not transferable. Club members will withdraw in favor of another club member. Should a club member withdraw from the race, his or her credits will be cancelled. Neither will it be permissible for a club member to give or transfer subscriptions to another club member. Credits on such transferred subscriptions will be subject to disqualification at the discretion of the Campaign manager.

7—Any collusion on the part of club members to the detriment of other club members or the Clipper will not be tolerated. Any club member or club members entering or taking part in such a combination will forfeit all rights to a prize or commission.

8—All ballots issued for subscriptions may be held in reserve or voted at the discretion of the member or subscriber, up to or including the last day of the campaign; except at the discretion of club manager, no member may poll more credits in any one twenty-four hours than 20,000 above the leader in the previous published standing.

9—In the event of a tie for any one of the prizes, a prize of equal value will be awarded each tying club member.

11—It is distinctly understood and agreed that club members will be responsible for all money collected, and that they will remit amounts in full each day or on demand to the campaign Department of The Elba Clipper.

12—There will be several prizes awarded besides the 20 ACTIVE non-prize winners, but it is to be distinctly understood that the content of member becomes INACTIVE, failing to make each member of at least two cash subscriptions each week, he or she will be disqualified and thereby forfeit all rights to a prize or commission.

13—The Elba Clipper reserves the right to alter rules and schedules of this campaign during the competition, if necessary to do so, for the protection of both club members and this newspaper. This paper also reserves the right to place an additional number of prizes on the list if so desired.

Everyone Paid Liberally for His or Her Time -- No Risks -- No

Here's The Plan in Brief

The object of this Salesmanship Club Campaign is two-fold; primarily to increase the ever growing subscription list of the Elba Clipper; to collect subscription payments from present and new subscribers and at the same time afford our friends and readers an unparalleled opportunity to profit, and in a big way, through their spare time during the next few weeks. So it is a plan that works both ways and to the ultimate good of all concerned.

The plan adopted for the awarding of these prizes is the fairest and most impartial conceivable. There will be no "double credits" or "triple credits" offers during the competition. Neither will there be any long term subscriptions accepted. The plan of the campaign is straightforward and simple, and is fully outlined in this announcement today.

HOW TO ENTER--WHAT TO DO.

1--SEND IN THE ENTRY BLANK--it counts for 5,000 credits. 2--CLIP THE 200 CREDIT COUPON--collect all of these you can and get your friends to save them for you. Each coupon counts 200 credits. 3--USE THE RECEIPT BOOK--As soon as we receive your entry we will send you a receipt book so that you may take subscriptions. Every paid in advance subscription counts credits according to the schedule below. 4--CLIP FIRST SUBSCRIPTION COUPON--This coupon accompanied by a subscription payment for one year or more to the Elba Clipper counts for 10,000 EXTRA CREDITS in addition to the usual number. You do not have to be a subscriber to the Elba Clipper to compete. 5--SEE YOUR

HERE'S HOW TO SUCCEED:
It takes credits to win, and credits are secured as follows: First, by clipping the coupons appearing in each issue of The Elba Clipper. Begin gathering them now while they are worth 200 credits each. After next week they will be reduced to 100 credits; the following week to only 50 credits. The only restriction to voting these coupons is that they must be deposited at the Campaign Department on or before the expiration of the date appearing thereon. Get all you can and get your friends to save them for you. THEY ARE FREE.

Another and faster way to get credits is by securing new and renewal subscriptions to The Elba Clipper and for ad cards. For each subscription turned in a certain number of credits are issued, the number varying according to the amount collected and during which "period" same is received at the Campaign Department. So, you see, the more credits you get the better your chances are to capture the Grand Prize, The Hudson Coach.
